UiTM Authors **MUST** submit their manuscript to the e-RTS system and attach the evidence of proofreading along with your manuscript during submission via EDAS.

⚠ Authors are required to carefully read and understand the Author's Instruction stated in the website prior to the submission and registration of the manuscript.

All accepted manuscripts will be submitted for possible publication in selected indexed journals or proceedings (Scopus/WoS/ERA/MyCite) upon acceptance by the Journal Chief Editor. However, authors are allowed to submit their manuscripts to their choice of journals if the submission made to the selected journals by the Scientific Committee is rejected several times. The publication fees will be borne by CSSR 2022, and we will notify authors about the maximum rate.
